## Senhouse Roman Museum, Maryport

## 30th Anniversary 2020

2020 is the 30th anniversary of the Museum opening to the public. To celebrate this achievement we have a year-long programme of events, exhibitions and activities. Details of these are available on the Museum's website www.senhousemuseum.co.uk.

The programme includes an exhibition spotlighting the stars of the collections that the Museum holds. We would like your help in deciding which objects to feature. These objects may be already on display or may be from the reserve collection in the store room. So, let us know which is your favourite object, or which object you think needs its time in the spotlight. The exhibition is scheduled for Summer – Autumn 2020, the deadline for nominations is 1st September 2020.

Please complete the form below and return to the Museum.
